IBRAH — SAY EACH ONE, THEN MOVE ON

1. There is a kind of steadiness that is not stubbornness: it is refusing to treat an emergency as permission.
2. The whole war was set moving from one camp, in one sitting, by a man who had just been told to go home.
3. Preservation is not one heroic act; it is somebody doing a careful, unglamorous job properly.
4. What changed in Arabia was not how many men there were, but which way they were all facing.
5. He kept an account of what was not his, and he closed it before he died.
