IBRAH — ONE AT A TIME

1. One document divides the country between two tribes, and the other answers that the country belongs to neither of them.
2. The caliph said out loud that his commander had got it wrong, paid for it, and kept him. Those three are one decision, not three.
3. When the line broke, what re-formed it was what the men had memorised.
4. He did not make them braver; he made it impossible for anyone's failure to be anonymous.
